

North Shore Pediatrics, PC 2008-2009 Flu/Insurance Information

Please use this guide to determine if your insurance carrier will pay for the Flu Vaccine and/or Flu Mist.

The following insurance carriers will cover both the Flu Vaccine and Flu Mist:

- Blue Cross Blue Shield of Massachusetts
- Harvard Pilgrim Health Plan
- Fallon Community Health Plan
- Tuft's
- Aetna
- United Healthcare

The following insurance carriers will cover only Flu Vaccine: *If you should choose for your child to receive the Flu Mist and your insurance carrier is listed below, you will be responsible for paying for the Flu Mist vaccine and administration fee prior to your child receiving Flu Mist.*

- Mass Health
- Network Health
- Children's Medical Security Plan
- BMC Healthnet

If your insurance carrier is not listed here, we were unable to get a determination from your insurance carrier if they will cover Flu Mist. If you choose for your child to receive Flu Mist, we will attempt to bill your insurance carrier; *however, if your insurance carrier denies the Flu Mist, you will receive a bill from us and will be responsible for paying for the Flu Mist.*

Cost of Flu Mist

Administration Fee	\$29.81
Flu Mist Vaccine	<u>\$73.18</u>
Total Due	\$102.99
